GETTING READY FOR THE U

A GUIDE FOR TRANSFERRING TO THE UNIVERSITY OF UTAH

If well planned, your academic course work at another institution will be a valuable contribution toward earning a bachelor's degree at the University of Utah. Many courses offered from other schools will fulfill requirements in the U's General Education program- the basics required of all University of Utah students seeking a bachelor degree. You can even begin meeting requirements for some departmental majors while still a student at another institution.

The purpose of this guide is to inform you of the courses offered at other Utah institutions of higher education that meet specific requirements in various programs of study at the University of Utah. Preparing yourself *now* can save you both time and money.

How to Use This Guide

Many departments at the U have made agreements with the other schools in Utah. This means that the faculty at the U has agreed with the faculty at the other institutions that specific courses completed there will apply toward certain majors at the U. Therefore, for example, if you are a student at SLCC and are planning to transfer to the U, you will be able to take SLCC courses that will directly transfer into your proposed major at the University of Utah.

Applying to the U

You can apply online at <http://admissions.utah.edu>. You may obtain an application by calling, writing or visiting the University's Office of Admissions

Office of Admissions

201 South 1460 East, Rm 250S

Salt Lake City, UT 84112-9057

(801) 581-8761

The annual deadlines for admission are:

Fall Semester.....April 1

Spring Semester.....November 1

Summer Session I.....March 15

Summer Session II.....March 15

(Financial aid, scholarship, and many departmental application deadlines may be earlier. Contact the appropriate office for more information.)

An application for admission, a processing fee, and supporting credentials must be filed with the Office of Admissions by the published deadlines. Applications received after deadlines are subject to the late handling fee. Official transcripts from **all** colleges or universities attended must be submitted to the Office of Admissions in order for your application to be evaluated. Transcripts must be mailed directly to the University Office of Admissions from the records office of all colleges or universities previously attended to be considered official.

Applicants transferring fewer than 30 semester hours or 45 quarter hours will also need to submit an official copy of their high school transcript and ACT or SAT results. These students must meet the University's requirements as outlined in the *General Catalog* for both freshmen and transfer applicants.

The U's Admission Criteria for Transfer Students

Applicants with 30 semester hours or more of transferable work and a cumulative college-level GPA of 2.6*¹ or higher are likely to be admitted to the U. Those with a cumulative GPA below 2.6 will likely be denied. In addition, your last semester's GPA must be above a 2.0. **All** transferable courses attempted and not withdrawn from are figured into your GPA. The Credits and Admissions Committee will review additional information for applicants requesting special consideration.

You will be notified by mail of your admission status within 2-6 weeks after your application and all credentials have been received in our office. If you are denied admission, you will receive a letter with some recommended alternatives. A process of appeal is available; contact the Office of Admissions for more information.

How Transfer Credit Is Evaluated

Once you are admitted to the U, we will inform you of the total number of transfer credits accepted and designate the courses accepted toward completion of General Education requirements on your *Summary of Transfer Credit*. The summary will also notify you of your cumulative transfer GPA. Transfer courses are not computed into the University of Utah's GPA. Your University of Utah GPA will begin once you start taking classes at the U.

In state schools: The University of Utah will accept courses completed at accredited Utah colleges or universities with a course number of at least 1000 for state institutions and will generally accept courses with a course number of at least 100 for private schools (BYU, LDSBC, Westminster College) if you receive at least a D-grade. Students who have an associate of arts or associate of science degree or have completed the general education program at another Utah state-supported institution of higher education are considered to have satisfied the University of Utah's general education requirements.

Courses transferred from private Utah colleges are evaluated on a course-by-course basis of whether they are (a) transferable (can be used toward the 122 semester hours required to graduate) and (b) equivalent to courses offered at the University of Utah and, thus, can be used to qualify for admissions into a selective major.

Out of state schools: Transfer credit earned in residence at other accredited collegiate institutions is normally accepted if the work is similar in nature to programs offered at the U, and if grades of D- or better have been earned in credited courses. Courses transferred from out-of-state schools are evaluated on the basis of whether they are (a) transferable (can be used toward the 122 semester hours required to graduate) and (b) equivalent to courses offered at the University of Utah and, thus, can be used to qualify for admission into a selective major.

If you have attended schools not addressed in this guide and have questions regarding the transferability of those courses, please call the Transfer Office of Admissions at (801) 581-7286. For questions regarding the evaluation of AP, CLEP, and Challenge Credit refer to the University of Utah's *General Catalog* or contact the Transfer Office of Admissions/

It is important to realize that admission to the University of Utah **does not** guarantee admission into your intended major. Many departments require a separate application process and evaluate your course work for additional requirements.

Where You Can Go For Further Assistance

There are many important offices you will become acquainted with while attending the U. Several of these, including University College and Career Services, will offer immediate benefits to you. Orientation and New Student Programs office holds **Orientation** programs every semester before classes begin. If you are admitted by the

¹ Subject to change at any time

application deadline, you will receive an invitation to attend one of these very informative programs. Advisors at the Orientation programs will:

- Outline the University wide graduation requirements, including the General Education program
- Discuss class selection and program planning
- Assist students that have not yet chosen a major
- Familiarize you with the campus, student support services, and the many opportunities for student involvement
- Offer registration on the day you attend an orientation session for better course selection in your first semester at the University of Utah

Orientation may be one of the most important programs you will attend as a new University of Utah student. **You must attend orientation to receive priority registration.** All new University of Utah students pay a one-time matriculation fee. This \$70 fee covers the cost of the new student orientation, AP/CLEP/IB credit evaluations, writing placement exams, graduation evaluations, and registration with the Career Services Center.

The University's Career Services includes a nationally recognized career library with resources for extensive career exploration. If you have questions regarding the demand for graduates in your field, you will find valuable information located in the career library.

THE TRANSFER CENTER

At University College Advising

The Transfer Center is a resource to help students who are interested in transferring to the University of Utah. Our services begin with advisor visits to Utah community colleges and continue with advising and resources to help you once you are admitted and attending the U. We can help you:

- Select the best classes/programs at your home school to prepare for transfer
- Understand the application process
- Understand how transfer credits will be accepted at the U
- Select and plan for a U of U major
- Resolve questions and problems in your first semesters at the U

You can set up an appointment to see a transfer advisor on the U of U campus by calling (801) 581-8146 or visit our web site at www.transfer.utah.edu and see a schedule of our advisor visits to your school. Let us help you make a smooth transition to the University of Utah!

Still Have Questions?

For clarification of information contained in this guide, please contact the Transfer Articulation Coordinator in the University of Utah's Office of Admissions at (801) 581-8761. You may also contact individual offices at the U for specific questions.

The Getting Ready Guide is not an articulation guide. The Getting Ready Guide is created by the Office of Admissions and departments from the University of Utah to show how courses may transfer from other schools to complete major requirements. This guide is major specific. Courses that satisfy requirements for a particular major may not clear requirements for a different major. If you are interested in viewing articulation agreements made between schools, please visit the Utah System of Higher Education Transfer Guide.

ⁱ The Colleges within the University of Utah offering undergraduate degrees include Architecture (AR), Business (BU), Education (ED), Engineering (EN), Fine Arts (FA), Health (HE), Humanities (HU), Medicine (MD), Mines & Earth Sciences (MI), Nursing (NU), Science (SC), Social and Behavioral Science (SB), and Social Work (SW).

ⁱⁱ Students requesting admission to a restricted major will normally be accepted into “PRE” major status. Additional requirements must be met before acceptance into the program. Please refer to the specific department for information on admission criteria.

ⁱⁱⁱ The University of Utah’s residency hour requirement states of the total hours required for graduation that at least 30 semester hours must be earned in residence at the U. In addition, 20 of the last 30 hours must be in residence at the University of Utah.

^{iv} Computer Engineering majors must take two Intellectual Exploration classes in each of Fine Arts, Humanities and Social Sciences. These must include an ethics course, and two classes numbered 3000 or higher. A list of ethics classes is available from the academic advisor.

^v Computer Science majors must take two Intellectual Exploration classes in each of Fine Arts, Humanities, and Social Sciences. These must include two classes numbered 3000 or higher.

^{vi} All students must take two classes in each of the following three areas: fine arts, humanities, and social and behavioral science. An ethics class is required.

^{vii} The Athletic Training Major and the Physical Education Teaching Education major is restricted and is limited to 20 students by special admissions only.

^{viii} The College of Engineering has special accreditation requirements for Intellectual Exploration courses. See the department for details of these requirements.

^{ix} Occupational Therapy (OT) is a preprofessional major for students entering the professional program the senior year of their baccalaureate studies. Unless a student has been accepted into the professional program, he or she may not declare occupational therapy studies as a major. Students are encouraged to declare and pursue a separate major while simultaneously completing the OT prerequisites. Starting in fall 2015, all applicants must have a bachelor’s degree completed prior to starting the Occupational Therapy program.

^x The degree is granted through the college of the teaching major. Students must also apply to the Secondary Teacher Licensure Program through the College of Education.

^{xi} The departments offering teaching minors are: Biology, Chemistry, English, Geography, Health Promotion and Education, History, Spanish, Mathematics, and Physics.

^{xii} The departments offering teaching majors are: Art, Biology, Chemistry, Dance, English, Earth Science, Exercise and Sport Science, Health Promotion and Education, History, Mathematics, Music, Physics, Spanish, and Theatre.

^{xiii} Students with an emphasis in Actor Training must audition for acceptance into the program. There is open admission to all other programs.

^{xiv} Students with a BFA Emphasis in the Musical Theatre Program, MTP, must audition for acceptance into the program

ELEMENTARY EDUCATION

ELEMENTARY EDUCATION

The undergraduate Elementary Education Program is designed to effectively prepare teacher candidates to work with students across various age and ability levels, and from diverse cultural, linguistic, and socioeconomic backgrounds.

- **Admission Criteria:** Enrollment into the Elementary Education program is limited and admission is competitive. Admission is based on the following criteria: letters of recommendation, Praxis Core Academic Skills for Educators Exam scores (for reading, writing, and math), a written personal statement, and cumulative 3.0 grade point average. The Admissions Committee will assess a candidate's potential to succeed in the program as well as in the classroom.

Students may be admitted to the program at any time during their bachelor's degree program at the University of Utah. The Admissions Committee reviews files once a month.

Important Information: Teaching licenses are granted by the Utah State Office of Education (USOE). Upon successful completion of the program, graduates are recommended for a Utah Level I Teaching License in Elementary Education, grades kindergarten through six.

The University of Utah strongly recommends students take MATH 4010, Mathematics for Elementary School Teachers I and MATH 4020, Mathematics for Elementary School Teachers II, at the University of Utah, as they are required courses within the junior year. MATH 4010 and MATH 4020 also fulfill both QI requirements at the U of U.

Many courses within the Elementary Education program also fulfill general education requirements. Please contact the Elementary Education Advisor at the University of Utah for more information.

Courses required for Elementary Education must be completed with "C" or better and must be no more than five years old.

- **Transferring Courses:** For students attending BYU, course work equivalency is assessed on an individual student basis. Course equivalency forms are available through Elementary and Secondary Education advisors. While attending BYU, students may complete General Education requirements and courses identified to fulfill the University requirements, including foreign language credits and/or other transferable electives for the U.
- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.
- If you have further questions regarding this major, you may contact:
Brigham Young University: Academic Advisement,
(801)4223641

University of Utah: Elementary Education Advising, 2260 SAEC (801)581-7158

SPECIAL EDUCATION

SPECIAL EDUCATION

The Department of Special Education prepares qualified persons for teaching, scholarship and leadership positions in educational settings and social agencies. The programs are interdisciplinary and emphasize the needs of individuals with disabilities and their families. The Special Education major is a sequenced program that includes a professional CORE of courses to introduce important principles followed by SPECIALIZATION courses in a specific area of disability. The specialization sequence of the program includes extensive pre-student-teaching field experiences followed by a full semester of student teaching.

- **Admission Criteria** Students must apply for admission to the program. Enrollment is limited and admission is competitive. The Department admits students three times a year. The Admissions Committee, composed of faculty from the Department of Special Education, meets during the fall, spring, and summer semesters. Admission is based on: completion of 40 semester credit hours of university course work (including SPED 3010 HUMAN EXCEPTIONALITY, or its equivalent); cleared background check, three letters of recommendation, a two-page written professional statement, official college and university transcripts, and current PRAXIS CORE ACADEMIC SKILLS TEST FOR EDUCATION. A minimum cumulative grade point average of 3.0 (from all colleges and universities attended) is required. Applications for admission to the major can be obtained from the Department of Special Education.
- **Important Information:** The Utah State Office of Education grants teaching licenses. Upon successful completion of the program, graduates are recommended for licensure.
- **Transferring Courses:** No courses are currently listed as transferring from BYU to satisfy specific requirements for this major.
- While attending BYU, students may complete General Education requirements and courses identified to fulfill the University requirements, including foreign language credits and/or other transferable electives for the U.
- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.
- If you have further questions regarding this major, you may contact: Brigham Young University: Academic Advisement, (801)422-3641

University of Utah: Patty Davis, 2282 SAEC, (801)581-4764

SPECIAL EDUCATION

The Department of Special Education prepares qualified persons for teaching, scholarship and leadership positions in educational settings and social agencies. The programs are interdisciplinary and emphasize the needs of individuals with disabilities and their families. The Special Education major is a sequenced program that includes a professional CORE of courses to introduce important principles followed by SPECIALIZATION courses in a specific area of disability. The specialization sequence of the program includes extensive pre-student-teaching field experiences followed by a full semester of student teaching.

- **Admission Criteria** Students must apply for admission to the program. Enrollment is limited and admission is competitive. The Department admits students three times a year. The Admissions Committee, composed of faculty from the Department of Special Education, meets during the fall, spring, and summer semesters. Admission is based on: completion of 40 semester credit hours of university course work (including SPED 3010 HUMAN EXCEPTIONALITY, or its equivalent); cleared background check, three letters of recommendation, a two-page written professional statement, official college and university transcripts, and current PRAXIS CORE ACADEMIC SKILLS TEST FOR EDUCATION. A minimum cumulative grade point average of 3.0 (from all colleges and universities attended) is required. Applications for admission to the major can be obtained from the Department of Special Education.
- **Important Information:** The Utah State Office of Education grants teaching licenses. Upon successful completion of the program, graduates are recommended for licensure.
- **Transferring Courses:** No courses are currently listed as transferring from BYU-Idaho to satisfy specific requirements for this major.
- BYU-Idaho offers A.A. and A.S. degrees, which satisfy General Education requirements at the U. Within either degree, students may take foreign language credits and/or other transferable electives for the U.
- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.
- If you have further questions regarding this major, you may contact:
BYU-Idaho: Career & Academic Advising, Kimball 250, (208) 496-1167

URBAN INSTITUTE FOR
TEACHER EDUCATION

URBAN INSTITUTE FOR TEACHER EDUCATION

The Urban Institute for Teacher Education (UITE) offers a bachelor's degree program in elementary education (K-6) as well as course work for licensure in secondary education (6-12). All programs have been accredited by the Utah State Board of Education (USBE).

- **Admission Criteria:** Enrollment in the Elementary & Secondary Teacher Education Programs is limited and admission is competitive. Students who wish to apply for admission to these programs should contact the UITE for current program and formal application requirements.

Students may be admitted to the program at any time during their bachelor's degree program at the University of Utah. The Admissions Committee reviews files once a month.

- **Important Information:** Teaching licenses are granted by the Utah State Board of Education (USBE). Upon successful completion of a teacher licensure program, graduates are recommended for a Utah Level I Teaching License.

Courses required for Elementary Education or Secondary Licensure must be completed with "C" or better and must be no more than five years old.

- **Transferring Courses:** Please refer to the Elementary Education and Secondary Education pages in this guide for more information about the programs and accepted equivalencies. While attending BYU, students may complete General Education requirements and courses identified to fulfill the University requirements, including foreign language credits and/or other transferable electives for the U.

- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.

- If you have further questions regarding this major, you may contact: Brigham Young University: Academic Advisement, (801)422-3641

*Last math course must be taken within 18 months of admission to Elementary Licensure Program and must be completed with a B or better.

- Completion of an A.A. or A.S. degree at SLCC, which satisfies general education requirements at the U, or obtaining a certificate of completion, stating all general education requirements have been completed, will not fulfill all pre-requisites for entering into the Education major at the University of Utah. While attending Salt Lake Community College, students may take foreign language credits and/or other transferable electives for the U.
- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.
- If you have further questions regarding this major, you may contact:
Salt Lake Community College: Seini Pahulu, 801.957.4294, AAB 237A Taylorsville Redwood Campus, Seini.Pahulu@slcc.edu

University of Utah: Elem Ed: 2260 SAEC, (801) 581-6064
Secondary: 2260 SAEC, (801) 581-6818

URBAN INSTITUTE FOR TEACHER EDUCATION

The Urban Institute for Teacher Education (UITE) offers a bachelor's degree program in elementary education (K-6) as well as course work for licensure in secondary education (6-12). All programs have been accredited by the Utah State Board of Education (USBE).

- **Admission Criteria:** Enrollment in the Elementary & Secondary Teacher Education Programs is limited and admission is competitive. Students who wish to apply for admission to these programs should contact the UITE for current program and formal application requirements.
- **Important Information:** Teaching licenses are granted by the Utah State Office of Education (USOE). Upon successful completion of a teacher licensure program, graduates are recommended for a Utah Level I Teaching License.

The University of Utah strongly recommends that Elementary Education students take MATH 4010, Mathematics for Elementary School Teachers I and MATH 4020, Mathematics for Elementary School Teachers II, at the University of Utah, as they are required courses within the junior year. MATH 4010 and MATH 4020 also fulfill both QI requirements at the U of U.

- **Transferring Courses:** Please refer to the Elementary Education and Secondary Education pages in this guide for more information about the programs and accepted equivalencies. The following courses may be taken at Snow College to fulfill requirements for the Elementary Teaching & Learning degree at the U. **There are additional requirements not offered at Snow that must be taken at the U.**

PLEASE NOTE: The requirements listed as being satisfied in the following table are for this major only. If you change majors these courses may not clear requirements for your new major.

SNOW COURSE	COURSE TITLE	CR	U OF U COURSE	U OF U COURSE TITLE	CR	UITE REQUIREMENT
EDUC 1010	Intro to Education	3	EDU 1010	Intro to Teaching	3	Elem & Secondary Requirement
HFST 1500	Human Development	3	FCS 1500	Human Development in Context Across the Lifespan	3	Elem Requirement
MATH 1050	College Algebra	4				Elem Prerequisite

*Last math course must be taken within 18 months of admission to Elementary Licensure Program.

- Completion of an A.A. or A.S. degree at Snow College, which satisfies general education requirements at the U, or obtaining a letter of completion, stating all general education requirements have been completed, will not fulfill all pre-requisites for entering into the Education major at the University of Utah. While attending Snow, students may take foreign language credits and/or other transferable electives for the U.
- Students are strongly encouraged to meet with a University of Utah departmental advisor before entering the U.
- If you have further questions regarding this major, you may contact:
