ANNUAL COUNSELOR CONFERENCE
Don’t miss your chance to join other counselors for a morning on the U of U campus. Meet our staff and get all the pertinent updates for your students interested in the U. The Conference will be held in the Guest House, and registration is free. Learn more and register at admissions.utah.edu/counselors/conference.php.

HELPFUL HINTS FOR TRANSCRIPTS
As your students are applying to the U, your school will need to send transcripts directly to the U. Here are some helpful hints to make the process easy:

* If you’re in Utah, utilize Utah Transcript and Record Exchange (UTREx) to send in transcripts.
* Other vendors, either in-state or out, from whom we accept electronic transcripts include Docufide by Parchment, National Student Clearinghouse, AVOW, Credential Solutions TranscriptsNetwork, and ScripSafe.
* Submitting electronically means transcripts will reach us faster, be put on file for your student faster, and allow for instant retrieval if the transcript goes missing.
* Use admisstranscripts@sa.utah.edu when sending electronic transcripts via a vendor.
* Make sure the name on the transcript matches the name on the application, i.e. use the student’s legal name. Nicknames or shortened versions of names wreak havoc.

SCIENCE DAY AT THE U
Do you have students interested in science and mathematics? Science Day at the U is a great way for them to get some hands-on exposure...
to a variety of the sciences. Students attend science workshops and experience first hand the exciting research and educational opportunities available at the University of Utah. The event is Saturday, November 15 from 8 am to 1:30 pm. Registration begins in October. For more information or to register visit science.utah.edu/events/science-day.php.

FRONTIERS OF SCIENCE LECTURE SERIES
Students and teachers interested in science will love the University of Utah’s Frontiers of Science lecture series. Frontiers of Science brings leading scientists from around the world to Salt Lake to share their research with the community. Topics in the 2014/15 series include the Curiosity Mars Rover, the dangers of sugar, and the evolution of Earth’s atmosphere. Frontiers of Science is held on the U’s campus and goes from 6 p.m. until 7:30 p.m. Lectures are scheduled for November 6, December 4, and March 26. For more information, please visit science.utah.edu/events/frontiers.php.

CONNECTING U DAYS
This fall we are hosting several Connecting U Days events for prospective University of Utah students. These events provide a “snapshot” of the U via an abbreviated campus tour, info session about admissions, info on the financial aid and scholarship processes, as well as first-year student programs. It’s a great preview to life as a college student at the U. This year, our remaining general events will be held:
Saturday, November 1
Saturday, November 15
To learn more and register, visit admissions.utah.edu/events/connecting-u-days.php.

HONORS COLLEGE
The Honors College continues to be more and more competitive. They have some advice for you, as a counselor, as your brightest students are considering an Honors degree. Learn more by reading their letter to counselors at admissions.utah.edu/counselors/Honors-College-letter-to-counselors.pdf. Keep in mind that your students should be applying to the Honors College by the November 1 priority deadline. The Honors College application is fully integrated with the general admissions application of the U of U, which is available at proxy0.sys.utah.edu/uofu/stu/admission/#/login.

REGIONAL COLLEGE FAIRS
Not local? We may be coming to your area! Check out our listing of upcoming fairs and visits to see if we’re coming to your area at admissions.utah.edu/events/college-fairs-cali.php.

BRINGING THE U TO YOU
In addition to college fairs, we’re hitting the road with staff and administration from the University of Utah. We’re bringing the U closer to you this fall with a series of special events. Join us, and encourage your students to visit one of the following evenings:
Tues., Oct. 14: San Diego
Wed., Oct. 15: Los Angeles
Tues., Oct. 21: Dallas
Thurs., Oct. 30: Denver
Thurs., Nov. 13: Santa Clara
Learn more and register for these free events by visiting admissions.utah.edu/events/utoyou/index.php.

ENGINEERING DAY
Join us on Saturday, Oct. 11 for a special event at the Warnock Engineering Building on the U of U campus. Your students can visit with aca-
ademic advisors, see student research projects, and tour three different engineering labs. This is a great opportunity for students who may be considering a career in any of the engineering fields. Registration is open now at www.coe.utah.edu/eng_day.

**RMACAC COLLEGE FAIR**
The annual RMACAC College Fair is nearly here! Be sure to encourage your students to join us on Saturday, Oct. 25 from 1:00-3:30 at Juan Diego Catholic High School in Draper. A pre-fair workshop session will be held from 11:30-12:15. To learn more and register, visit rmacac.org/utah-college-fair.

**2015 APPLICATION PRIORITY DEADLINE**
The priority deadline for admissions application at the University of Utah is fast approaching. Students who apply by the December 1 priority deadline will automatically be considered for merit scholarships. In addition, decisions will be mailed on January 15 for those who apply by the priority deadline. Visit admissions.utah.edu/apply/undergraduate/freshman.php for details on how to apply.

**CAMPUS & SATURDAY VISITS**
School has begun again, and students are gearing up for their big college choice. Campus visits are one of the best ways a student can determine the fit of any school, and we encourage all interested students to take the time to tour our campus. We offer two tours daily at 10:00 am and 1:00 pm, Monday through Friday. In addition, we offer a tour one Saturday each month:
- November 15 at 1:00 pm
- December 6

Each visit includes a campus tour, an info session with an Admissions Counselor, and a visit to Housing. Students can sign up online at admissions.utah.edu/visit/campus-visit.php.
