Cynthia Gayles Grant:

Cynthia Gayles Grant Recipient program:
• To reward those high school counselors who have made professional contributions to their students and community
• To enhance the diversity of RMACAC and NACAC
• To recruit new colleagues to this professional organization

The Cynthia Gayles Grant offers **five grants to high school counselors** to attend this year’s spring RMACAC conference. One counselor from each of our member states will be selected to attend. This grant is targeted towards high school counselors who represent minority groups and/or work with underrepresented populations, and who are non-members or are relatively new RMACAC members.

The RMACAC Cynthia Gayles Grant will cover:
• The Registration Fee
• Travel expenses to and from the conference
• Lodging rates for one-half of a double occupancy room (if requesting a single room, the recipient will be responsible for the additional costs)
• Meals covered per cost of GSA rates and RMACAC policy (minus any meals provided at the conference)
• 1-year membership in RMACAC

Following the spring regional conference, one Cynthia Gayles Grant recipient will be selected to attend the fall NACAC conference in San Diego, California. Once again, the conference registration fee, travel expenses to and from the conference, lodging and meals will be covered.
