IN THIS ISSUE:
Admissions Priority Deadline
On-Campus Housing Applications
High School University Program
FAAA Scholarship
Connecting U Days
Bringing the U to You
Expect the Great College & Career Readiness Fair
Early Assurance Program
Engineering Day
IJSHS
Calendar

ADMISSIONS PRIORITY DEADLINE
The Priority Deadline to apply for admissions at the U is December 1. Students applying by the priority deadline will be automatically considered for merit scholarships. In addition, students who qualify for the freshman academic achievement award must apply by December 1 to be considered.

ON-CAMPUS HOUSING APPLICATIONS
Housing applications for newly admitted students become available on January 7. Students who apply to the University of Utah by the December 1 priority date will be part of the first round of new students applying for and reserving rooms in on-campus housing. Learn more at housing.utah.edu.

HIGH SCHOOL UNIVERSITY PROGRAM
The High School University Program is a great way for high school students to take courses not available at high school, or to get a jump on their college education. Applications for spring semester are due December 1. To learn more about HSUP, visit admissions.utah.edu/academics/hsup.php.

FRESHMAN ACADEMIC ACHIEVEMENT AWARD FOR NON-RESIDENTS (FAAA)
The U of U is excited to announce new freshman scholarships for nonresident students from California, Colorado, Idaho, Illinois, Nevada, and Washington. Students must qualify with a minimum 3.0 unweighted GPA and defined ACT or SAT ranges. Learn more about qualifications at admissions.utah.edu/faaa.
CONNECTING U DAYS
Connecting U Day is a great opportunity for students to come get a taste of what the University of Utah has to offer. Breakout sessions will include Admissions 101, Financial Aid and Scholarships and a variety of students groups. Students and parents will have a chance to head out on tour for a campus snapshot.

Connecting U Day will be held on November 23 at the Spencer Fox Eccles Business Building. Come join us for an interactive day getting to know the campus communities and our amazing Student Ambassadors. Learn more and register at admissions.utah.edu/events/connecting-u-days.php.

BRINGING THE U TO YOU
We’re sending more than just the football team out of state! Join us for a special student reception, or for the morning reception specifically for high school counselors on the following day. There will be three Bringing the U to You events this month:
> Portland, Oregon
  November 14-15, 2013
> Seattle, Washington
  November 21-22, 2013
> East Bay/San Francisco
  November 20, 2013

Learn more and register by visiting our site at admissions.utah.edu/events/utoyou/index.php.

ENGINEERING DAY
Do you have students interested in Engineering? Join us for Engineering Day to get a feel for engineering in action. See the poster below for details and registration info:

THE UNIVERSITY OF UTAH
ENGINEERING DAY 2013
Date: November 9, 2013 (SATURDAY)
Time: 9:00 am - 12:30 PM
Location: Warnock Engineering Building
72 S. Central Campus Dr.

Discover Engineering in Action

What you will see: Biomedical, Chemical, Civil, Computer, Computer Science, Electrical, Environmental, Geologic, Materials Science, Mechanical, Metallurgical, Mining

Register online: coe.utah.edu/eng_day
Registration opens Oct. 15th
Questions: Morgan Boyack at morgan.boyack@utah.edu

Presented with major support from:
Rio Tinto
Kennecott Utah Copper
INTERMOUNTAIN JUNIOR SCIENCE & HUMANITIES SYMPOSIUM (IJSHS)
The goal of IJSHS is to promote research and experimentation in the sciences, technology, engineering, and math at the high school level. Last year, this symposium brought together over 120 students and teachers from western Colorado, Idaho, Montana, Nevada and Utah. To help get the word out about this amazing program, we hope you will share the following information with the science teachers in your school.

Students who are in grades 9 through 12, have conducted original research, or have an interest in STEM and/or research are invited to participate in the IJSHS. Symposium participants have the opportunity to receive feedback on their original research by submitting a research paper for review by University of Utah faculty and researchers. The participants will also be able to showcase their research by presenting in the competitive oral or poster sessions or in the non-competitive poster session during the symposium. Those in the competitive oral and poster sessions also compete for college scholarships and a trip to attend the National Junior Science and Humanities Symposium in April/May 2014.

In addition to their research presentations, participants will have the opportunity to explore several of the research labs and learn about the amazing research being conducted on the U’s campus. Finally, participants will be able to socialize and interact with students from other schools and states who share a similar interest in STEM areas.

The process to participate in IJSHS includes the following:

> Teachers submit nominations by November, 18, 2013
> Registration forms and fees submitted by December 13, 2013
> Participants submit Research Application Form, Research Papers, and Abstracts by January 9, 2014
> Presenter status will be announced by February 11, 2014

IJSHS begins March 5, 2014

For more information about the Intermountain Junior Science and Humanities Symposium (IJSHS) please visit http://admissions.utah.edu/events/ijshs/. Questions regarding this event can be directed to Mateo Remsburg, Ed.D. at 801.581.8761 or at ijshs@sa.utah.edu.

EXPECT THE GREAT COLLEGE & CAREER READINESS FAIR
Join us on November 16 for a special event for African / African-American communities interested in learning more about college education. Colleges and universities across the state will be there to help prospective students learn more about college admissions, financing an education, student support and career readiness. The event is free, and a light breakfast and lunch will be served but you must register to attend. Learn more and register at admissions.utah.edu/events/expect-the-great.php.
EARLY ASSURANCE PROGRAM
The Early Assurance Program is designed for academically exceptional and ambitious students freshmen. The Program provides a unique opportunity to secure admission to one of the University's highly ranked graduate programs while still an undergrad. The program offers “open track” enrollment and is limited to high-performing students who meet the qualifications. The application deadline is February 1, 2014. Learn more at earlyassurance.utah.edu.

CALENDAR

NOVEMBER
1: Honors College Priority Deadline
2: Science Day at the U
9: Saturday Hours
14-15: Bringing the U to You – Portland
16: Expect the Great College & Career Readiness Fair
20: Bringing the U to You – Walnut Creek Student & Parent Event
21-22: Bringing the U to You – Seattle
23: Connecting U Day
28-29: U of U closed – Thanksgiving

DECEMBER
1: Priority Admissions Application date (Summer & Fall 2014)
1: Deadline for Merit scholarships (Honors at Entrance & Presidential) and Freshman Academic Achievement Award for Non-Residents (FAAA)
7: Saturday Hours
1: Deadline for HSUP application (Spring 2014)
7: Saturday Hours
21-Jan 5: Winter Break
25-27: U of U closed – Christmas

JANUARY
1: U of U closed – New Year’s Day
7: Housing application available to newly admitted students
11: Connecting U Day: Diversity
15: First Admissions Decisions released (all who applied by the Dec 1 priority deadline)
20: U of U closed – Martin Luther King Jr. Day
25: Saturday Hours
End of Jan: Presidential scholarship offers released
