## INFO SESSIONS DESCRIPTIONS

**ACADEMIC ADVISING CENTER** Not sure about your major? Interested in pursuing medicine or law? Want to know more about General Education or advising support at the U? Learn the basics of degree requirements, discover your academic passion, and more!

**ADMISSIONS 101: ACING YOUR APPLICATION** Still have questions about the admissions process? Admissions Counselors will be available to answer any lingering questions, review important dates and deadlines, and give helpful tips on filling out your admissions application.

**COLLEGE OF ARCHITECTURE + PLANNING** The School of Architecture approaches teaching and practice with a rigor that holds us, and others, accountable to high standards, without losing a sense of adventure, risk taking and discovery.

**DAVID ECCLES SCHOOL OF BUSINESS** The Business Scholars program offers a small, high-achieving, cohort of students the opportunity to network with business leaders, faculty, and peers from all over the world for an educational experience unlike any other.

**COLLEGE OF EDUCATION** Learn about our elementary, secondary and special education teacher programs. This workshop will provide information regarding university and college scholarships and financial incentives.

**COLLEGE OF ENGINEERING** Come learn about our ten different programs, direct admissions process, new scholarship deadlines, and what you can do now to help set yourself up for success before you come to the U.

**COLLEGE OF FINE ARTS** Join us to learn more about the undergraduate programs, which programs require audition and portfolio submissions, extracurricular student opportunities, and the Arts Pass program.

**COLLEGE OF HUMANITIES** Within our college, students examine the world to better understand their place within it. By studying the humanities, you will broaden your historical, ethical, and global perspective and be poised to make an impact in any career field. Come learn how!

**COLLEGE OF MINES AND EARTH SCIENCES** From drones to dinosaurs, learn about how our eighteen accredited programs can help you create, inspire, and explore.

**COLLEGE OF NURSING** We strive for excellence in education, research, and clinical care, and each mission is vital to our overall success. Diversity and inclusiveness, independent inquiry, and collegiality form the fabric of everyday life for faculty and students.

**COLLEGE OF SCIENCE** Do you have an interest in math or science? Come learn about opportunities in the College of Science! Learn about our four amazing departments, and hear from current College of Science students on their experiences.

**COLLEGE OF SOCIAL & BEHAVIORAL SCIENCE** Our award-winning faculty and students study a wide range of issues including climate and sustainability, social and economic inequality, immigration policies, international security, and the roles of gender and ethnicity in society.

**COLLEGE OF SOCIAL WORK** Social work is a diverse and rewarding profession – but we find that most students do not know much about this field or college major. Please join us as we debunk common myths and explore the many career pathways social work graduates can take.

**SCHOOL OF CULTURAL AND SOCIAL TRANSFORMATION** We are ready to think with you. Ready to shape the leaders—you—who will put ideas into forceful motion.

**MEDICAL LABORATORY SCIENCE** Learn what it takes to work in a diagnostic clinical laboratory, research, or industry.

**HONORS COLLEGE** Look beyond your major and look forward to another kind of education. Professors who love to teach and students who love to learn come together in the Honors community. Explore what it means to pursue the Honors degree, meet our deadlines and ask your questions during this session.

**HOUSING & RESIDENTIAL EDUCATION** Love Life. Love College. Love Living On Campus! We will be discussing housing options, rates, benefits, application timeline, any questions you may have, and more.

**HOUSING TOURS – LASSONDE STUDIOS** All students are welcome to live at Lassonde Studios' four housing types and four themed floors.

**HOUSING TOURS – MARRIOTT HONORS COMMUNITY** Located near the Student Life Center, Fort Douglas TRAX Stop, and Huntsman Arena, the MHC apartments offer full-size kitchens, spacious common areas, and great views of campus and the Wasatch Mountains.

**HOUSING TOURS – HERITAGE COMMONS** With the widest variety of room types and building options and central to the dining hall, there's something for everyone at the PHC. Round trip shuttles will be provided for this tour.

**CENTER FOR ETHNIC STUDENT AFFAIRS (CESA) & DIVERSITY SCHOLARS** Learn about our programs and services including personalized academic advising and mentoring, student leadership opportunities, free tutoring, Diversity Scholars, and scholarship resources.

**RESIDENCY FOR TUITION PURPOSES** Learn about the various ways students may be eligible for in-state tuition through the "One Year Rule."

**UNIVERSITY OFFICE OF SCHOLARSHIPS & FINANCIAL AID** You will make many investments during your lifetime. However, few will produce greater returns than the one you're about to make in your own education. Learn the different ways to finance your college education.
